Date	07 November 2022
Student Name	NAVEEN KUMAR S
Student Roll Number	953619106049
Team ID	PNT2022TMID51098

IBM Cloud Services

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to 'Catalog', 'Manage', and the user's account 'NAVEEN KUMAR S's Ac...'. The main content area is titled 'Untitled' and features a 'For you' section with several service tiles: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Create and deploy an application' (Browse our starter kits, and then select one to jump start the process to create and deploy your app), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get started with Watson Discovery' (Get up to speed on Watson Discovery with step-by-step tutorials, deep-dive videos, and complete examples of working code), and 'Access to resource' (Use IAM to resource groups, and thus give other users access to your service instance). Below these tiles, there are sections for 'User access' (Manage users), 'News' (Unified Key Orchestrator Now Supports Easy Multicloud Key Management for Google KMS), and 'Planned maintenance' (View all). A Windows 'Activate Windows' watermark is visible in the bottom right corner. The user profile dropdown menu is open, showing options like 'Profile', 'Log in to CLI and API', 'Privacy', 'Change theme', and 'Log out'.
